

Annual Report for March 31st 2026

A number maintenance projects were undertaken at the club last year with good community volunteer help as usual.

Quite a bit of time and effort was spent in re-registering the Club with a new Constitution under the new legislation for the Incorporated Societies Act 2022 and our new Certificate of Registration was granted on 18th August 2025.

As part of the re-registration process the Club now has a website **charleston-club.org.nz** and email info@charleston-club.org.nz to provide information to members.

A new design for the club membership cards was produced for 2026 which had some challenges to keep costs down given the small number of cards required.

The Club signed an agreement with the Charleston Waitakere Community Group for a joint development of the land opposite the Club to feature a community display of Charleston heritage information. Work on this is on going.

As per our constitution, election of committee members will not occur this year as the current committee are elected for a term of 2 years. Committee elections will occur at the 2027 AGM.

Thank you to all who have supported the Club in the 2026 year.

Dave Clarke

Charleston Goldfields Community Club President for 2026
